Dear Sir/Madam:

The California Air Resources Board (ARB) staff invites you to participate in the Portable Engine work group meeting on March 6, 2003. The purpose of the work group meeting is to discuss possible regulatory approaches to reduce diesel particulate matter emissions from diesel-fired portable engines. Handouts for the meeting will be posted on our web site located at:

<http://www.arb.ca.gov/diesel/portdiesel.htm>

one week prior to the meeting. Handouts will also be available at the work group meeting. The meeting will be held at the following time and location:

Date: Thursday, March 6, 2003
Time: 1:30 p.m. to 4:30 p.m.
Location: CALEPA Headquarters Building
Training Room 1
1001 I Street
Sacramento, California 95814

We welcome and appreciate your participation in this work group. If you have questions regarding the work group meeting, please contact Mr. Mike Waugh at (916) 445-6018.

Sincerely,

Michael J. Tollstrup, Chief
Project Assessment Branch

The energy challenge facing California is real. Every Californian needs to take immediate action to reduce energy consumption. For a list of simple ways you can reduce demand and cut your energy costs, see our web site: <http://www.arb.ca.gov>.
